[Urging to Fully Appoint and Strengthen the Office of Early Care and Education Citizens Advisory Committee and the Child Care Planning Advisory Council]

Resolution committing the Board of Supervisors to expeditiously fill vacancies on the Office of Early Care and Education Citizens Advisory Committee (OECE CAC) and forthcoming expiring seats on the Child Care Planning Advisory Council (CPAC); urging the Office of Early Care and Education to strengthen the engagement and support for the OECE CAC and CPAC by providing sufficient staffing, increased collaboration, and timely information-sharing on policy developments, budget, and new spending plans on revenue outside the annual budget process; and urging the OECE CAC and CPAC to improve on collaboration and engagement of mutual goals to fulfill the vision of the Early Care and Education for All Initiative.

WHEREAS, The Office of Early Care and Education was codified by the Board of Supervisors in 2014 to align and to coordinate the City’s efforts in providing early education for children ages zero to five in San Francisco, including programs and funding streams from the Department of Children, Youth, and Their Families, the Children and Families Commission (First Five Commission), and the Human Services Agency to serve young children and their families; and

WHEREAS, The Board of Supervisors established the Office of Early Care and Education Citizens’ Advisory Committee (OECE CAC) in San Francisco Administrative Code, Article XIII to make recommendations to the Office of Early Care and Education on their mission and was tasked with helping draft a strategic plan and a proposal for expanding high-quality early education in San Francisco; offer expertise in the areas of policy, planning, collaboration, and strategic partnerships; advise on the development of funding guidelines; review needs assessments, plans, and funding allocations; and provide input on the
evaluation plan for tracking the results of the City’s investments in early care and education; and

WHEREAS, The Child Care Planning and Advisory Council (CPAC) was established pursuant to California Education Code Section 8499-8499.8 and San Francisco Administrative Code, Article XX, Section 5.200, to advise the Board of Supervisors, the Mayor, the San Francisco Children and Families Commission, and with consent, the Board of Education and the Superintendent of Schools about child care issues; and

WHEREAS, The Office of Early Care and Education currently offers staffing and administrative support to both the OECE and CPAC; and

WHEREAS, The voters of San Francisco passed the Early Care and Education Commercial Rents Tax and the Babies and Families First Fund in June 2018 that would have made an unprecedented level of investment to expand access to quality early care and education for low and moderate income families with children between 0-5; and increase the compensation of early care professionals and staff; and

WHEREAS, The Board of Supervisors passed legislation in late 2018 to launch the Early Care and Education for All Initiative to provide a framework for the Office of Early Care and Education to facilitate a robust community-involved, planning process on a spending plan for the Babies and Families Fund and other future revenue, which also required annual reporting to the Board of Supervisors with prior review and recommendations from the OECE CAC; and

WHEREAS, While the Early Care and Education Commercials Rents Tax is being challenged in court, the passage of Proposition F in November 2020 by San Francisco voters enabled the release of Babies and Families First Fund previously embargoed; and
WHEREAS, The demand for early care and education, particularly for children 0-3, continues to grow and has further been exacerbated by the COVID-19 crisis destabilizing the industry and its historically underpaid workforce primarily comprised of women of color; and

WHEREAS, The infusion of new revenue, such as the Babies and Families First funding, is promising and offers a new opportunity for San Francisco to lead with a groundbreaking, transformative system for early care and education; and

WHEREAS, The growth and expansion of such a system requires a governance structure that is well-supported in offering oversight, accountability, and transparency to fulfill the mission of the Early Care and Education for All Initiative; and

WHEREAS, Increased funding requires strong oversight and the need for detailed, timely information about funding priorities and spending plans; as well as an opportunity for meaningful input by the OECE CAC; and

WHEREAS, The OECE CAC is intended to have nine seats: four appointed by the Board of Supervisors and four by the Mayor in staggered terms to prevent full turnover; and

WHEREAS, All of the seats on the OECE CAC are currently expired--seven seats expired in May 2019 and two seats in May 2020; and

WHEREAS, The OECE CAC submitted eligible candidates to the Board of Supervisors for processing in fall of 2019, but appointment hearings were never scheduled; and

WHEREAS, The OECE CAC is now comprised of only six members in a hold-over capacity and while meetings are scheduled regularly, this pattern is unsustainable; and
WHEREAS, With the evolving nature of San Francisco’s expanding early care and education system and the anticipated infusion of new funding, it is prudent to strengthen the existing role of the OECE CAC to ensure that there is shared accountability, transparency, robust engagement with a diverse group of stakeholders on strategic planning and decisions pertaining to budget priorities and to future spending; now, therefore, be it

RESOLVED, That the Board of Supervisors recognizes the hard work of the staff at the Office of Early Care and Education and commends the dedicated members of the OECE CAC and CPAC who serve in a volunteer capacity; and, be it

FURTHER RESOLVED, That the Board of Supervisors commits to expeditiously processing appointments to fill vacancies that are under its appointment authority on OECE CAC and expiring seats on the CPAC; and, be it

FURTHER RESOLVED, That the Board of Supervisors urges the Office of the Mayor to also expedite the processing of appointments to fill vacancies under their appointment authority on the OECE CAC; and, be it

FURTHER RESOLVED, That the Board of Supervisors urges the Office of Early Care and Education to share timely, detailed information about budget proposals and proposed future spending of other funds outside of the annual budget process in order to incorporate advice and input from the OECE CAC and CPAC; and, be it

FURTHER RESOLVED, That the Board of Supervisors urges the Office of Early Care and Education to commit adequate staffing and administrative support to the OECE CAC in strengthening their role in strategic planning, budget review, and advising on future spending; and, be it

FURTHER RESOLVED, To provide a smooth transition, that the Board of Supervisors urges the Office of Early Care and Education to request training and sharing of best practices from the Office of the City Attorney for new and re-appointed OECE CAC and CPAC
members in order to conduct meetings and official business in compliance with the California
Brown Act, San Francisco Sunshine Ordinance, ethic laws, and other relevant policies; and, be it

FURTHER RESOLVED, That the Board of Supervisors urges the OECE CAC to continue meeting frequently to acclimate new members and to provide timely information about the changing budget and planning for the future of early care and education in San Francisco; and, be it

FURTHER RESOLVED, That the Board of Supervisors encourages the OECE CAC to work closely with partnering bodies, such as CPAC and the Children and Families First Commission (First 5 Commission), to facilitate collaboration, information-sharing, and build consensus on short-term and long-term plans for early care and education funding fulfilling the vision of the Early Care and Education for All Initiative; and, be it

FURTHER RESOLVED, That the Board of Supervisors urges the OECE CAC and CPAC to work with the Office of Early Care and Education to conduct robust outreach and to ensure that meetings are accessible to diverse stakeholders, meet the requirements of San Francisco’s Language Access Ordinance for English language learners, and include early care educators, providers, parents, and others that are impacted by their respective missions; and, be it

FURTHER RESOLVED, That the Board of Supervisors urges the OECE CAC and CPAC to provide written recommendations and feedback on this year’s pending budget pertaining to the Office of Early Care and Education directly to the Board of Supervisors and Mayor; and, be it

FURTHER RESOLVED, That the Board of Supervisors directs the Clerk to transmit copies of this Resolution to the Director of the Office of Early Care and Education, Director of
the Human Services Agency, Office of the Mayor, the Members of OECE CAC, and the Executive Committee of CPAC.
