[Accept and Expend Grant - California State Senate Bill 1 Local Partnership Program - Alemany Boulevard Pavement Renovation - $1,750,000]

Resolution authorizing the acceptance and expenditure of California State Senate Bill 1 Local Partnership Program formulaic funding in the amount of $1,750,000 for San Francisco Public Works’ Alemany Boulevard Pavement Renovation project.

WHEREAS, On April 28, 2017, the Governor of California signed the Road Repair and Accountability Act of 2017, also known as Senate Bill 1 (herein referred to as SB1), a transportation funding package of more than $50 billion over the next 10 years that increases funding for local streets and roads, multi-modal improvements, and transit operations; and

WHEREAS, SB1 created the Local Partnership Program (herein referred to as LPP) and appropriates $200 million annually to be allocated by the California Transportation Commission (herein referred to as CTC) to local or regional agencies that have sought and received voter approval of taxes or imposed fees solely dedicated to transportation; and

WHEREAS, On October 18, 2017, CTC adopted program guidelines that allocate 50% of the program ($100 million annually) through a Formulaic Program to local or regional transportation agencies that sought and received voter approval of transportation sales tax, tolls, or fees; and

WHEREAS, The San Francisco County Transportation Authority (herein referred to as SFCTA) is eligible to receive LPP Formulaic Program distributions because SFCTA administers Proposition K (herein referred to as Prop K), a half-cent local transportation sales tax program approved by San Francisco voters in November 2003, and Proposition AA (herein referred to as Prop AA), an additional $10 vehicle registration fee approved by San Francisco voters in November 2010, both with revenues dedicated to fund transportation investments; and
WHEREAS, SFCTA identified San Francisco Public Works’ (herein referred to as SFPW) street resurfacing projects as good candidates for the LPP Formulaic Program given the steady pipeline of construction ready projects, the size of the projects being a good match with the anticipated size of SFCTA’s LPP formulaic shares, and sufficient Prop K to provide the dollar for dollar local match requirement; and

WHEREAS, On December 12, 2017, the SFCTA Board programmed its share of LPP Formulaic Program funds from FY2017-2018 to FY2019-2020 to the following three projects:

1. FY2017-2018: Parkmerced/Twin Peaks/Glen Park Residential Pavement Renovation (also known as Parkmerced/Twin Peaks/Mt Davidson Residential Pavement Renovation)

2. FY2018-2019: Alemany Boulevard Pavement Renovation

3. FY2019-2020: Various Locations Pavement Renovation No. 42; and

WHEREAS, On December 15, 2017, SFPW and SFCTA jointly submitted nomination packages to CTC for FY2017-2018 funding for Parkmerced/Twin Peaks/Glen Park Residential Pavement Renovation and FY2018-2019 funding for Alemany Boulevard Pavement Renovation; and

WHEREAS, On January 31, 2018, CTC adopted and programmed FY2018-2019 LPP Formulaic Program funds for San Francisco as follows: Alemany Boulevard Pavement Renovation ($2,083,000 in FY2018-2019); and

WHEREAS, On October 17, 2018, CTC reprogrammed FY2018-2019 LPP Formulaic Program funds for San Francisco from Alemany Boulevard Pavement Renovation ($333,000 in FY2018-2019) to Sunset and Parkside Streets Pavement Renovation based on lower project costs; and

WHEREAS, On December 6, 2018, CTC allocated FY2018-2019 LPP Formulaic Program funds for San Francisco as follows: Alemany Boulevard Pavement Renovation ($1,750,000 in FY2018-2019); and
WHEREAS, The project requires a 100% local match, which SFPW programs as follows: Alemany Boulevard Pavement Renovation ($1,750,000 in Prop K Sales Tax Funds); and

WHEREAS, The funding does not require an ASO amendment; and

WHEREAS, The total budgets, which includes the grant and match funds, include indirect costs totaling $206,113.59; now, therefore be it

RESOLVED, That this Board of Supervisors authorizes SFPW to accept and expend up to $1,750,000 in SB1 LPP Formulaic Funds for FY2018-2019 for the project described above; and, be it

FURTHER RESOLVED, That the Director of Public Works or his or her designee is authorized to execute all required documents for receipt of LPP Formulaic Funds; and, be it

FURTHER RESOLVED, That SFPW, by adopting this resolution, will commit $1,750,000 in local matching funds.
