WHEREAS, The Planning Department concluded that the Lease as proposed is within the scope of the 2006 EIR (waterside) and 2011 EIR (landside) projects previously analyzed, and that there have not been any substantial changes with respect to the circumstances
under which development at Treasure Island would be undertaken, nor has new information come to light that would alter the analysis or conclusions of the 2006 EIR and the 2011 EIR; as such, pursuant to California Public Resources Code, Section 21166 and CEQA Guidelines, Section 15162, the Planning Department concluded in a memorandum that a subsequent or supplemental environmental impact report is not required at this time, a copy of which is on file with the Secretary of this Board (the “2017 Memorandum”); and

WHEREAS, At its October 17, 2017, meeting the Authority Board of Directors approved Resolution No. 17-37-1030 1) making CEQA findings and confirming the Planning Department’s determination that no additional environmental impacts that were not previously identified would occur as a result of the proposed lease; and 2) approving and authorizing the execution of a 66 year lease between the Authority and TISC, for the Treasure Island Sailing Center; and

WHEREAS, The Lease is for a 66 year term that begins once the Authority issues a notice to proceed with the Initial Improvements (as described in the Lease); and

WHEREAS, The Lease provides TISC with an opportunity to develop and manage the Treasure Island Sailing Center in portions of Clipper Cove, with nonexclusive use of the common water areas of Clipper Cove and adjacent landside areas, and exclusive use of certain landside premises; and

WHEREAS, The Lease provides a commitment to TISC for the use of the premises allowing them to raise funds for the development of the site and to commence the permitting process with the Bay Conservation and Development Commission; and
WHEREAS, The Lease requires TISC to prepare plans and specifications for the Initial
Improvements, subject to the review and approval of the Authority's Board of Directors
following any required environmental review, if any, and that the work on the Initial
Improvements cannot proceed unless and until such approval has been obtained; and

WHEREAS, Under the Lease, TISC will, upon the receipt of approvals and satisfaction
of conditions relating to the Initial Improvements, which must occur within two years, construct
the Initial Improvements in several phases; and

WHEREAS, Under the Lease, TISC will pay a minimum monthly base rent of $833.33

any contract or agreement entered into by the Authority with a term longer than ten years;

FURTHER RESOLVED, That within thirty (30) days of the Lease Agreement being fully executed by all parties the Treasure Island Development Authority shall provide copies of the Lease Agreement to the Clerk of the Board for inclusion into the official file.
