the Charter; now, therefore, be it

RESOLVED, By the Board of Supervisors of the City and County of San Francisco, as
follows:

Section 1. Recitals. All of the recitals herein are true and correct.

Section 2. Conditions Precedent. All conditions, things and acts required by law to
exist, to happen and to be performed precedent to the adoption of this Resolution authorizing
the issuance of the Bonds exist, have happened and have been performed in due time, form
and manner in accordance with applicable law, and the City is now authorized pursuant to the
Charter and applicable law to incur indebtedness in the manner and form provided in this
Resolution.

Section 3. Issuance of the Bonds. The Board of Supervisors hereby authorizes the
issuance and sale of $487,500,000 aggregate principal amount of Bonds, designated
generally as “City and County of San Francisco General Obligation Bonds (Health and
Recovery, 2020).” The Director of Public Finance is hereby authorized to modify the general
designation of the Bonds if in her sole discretion a different designation is in the best interest
of the City for administrative, marketing or descriptive purposes. The Bonds may be sold in
one or more series or subseries on a tax-exempt or taxable basis as the Board of Supervisors
shall determine, and shall be sold in accordance with law, as such law may from time to time
be amended, supplemented or revised, and on the terms and conditions approved by the
Board of Supervisors in this Resolution, as supplemented by such other resolution or
resolutions relating to such Bonds and as provided in the Resolution of the Board of
Supervisors authorizing and directing the sale of each series or subseries of Bonds (each, a
“Sale Resolution”). Each series of such Bonds may bear such additional or other designation
as may be necessary or appropriate to distinguish such series or subseries from every other
series or subseries and from other bonds issued by the City, or to identify the tax treatment of
interest, interest rate determination methodology or other characteristics of such Bonds, in
each case as set forth in the applicable Sale Resolution or as may be determined by the
Director of Public Finance in her sole discretion. The offering and sale of the Bonds may be
aggregated with the offering and sale of other general obligation bonds being issued by the
City, as authorized from time to time by the Board of Supervisors. The Bonds may bear
interest at fixed or variable rates, in each case as provided in the applicable Sale Resolution.

Section 4. Authentication and Registration. The Sale Resolution for each series or
subseries of Bonds shall set forth the form of Bond for such series or subseries, with such
necessary or appropriate variations, omissions and insertions as may be permitted by
resolution. “CUSIP” identification numbers may be imprinted on Bonds, but such numbers
shall not constitute a part of the contract evidenced by the Bonds and any error or omission
with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery
of and to pay for the Bonds. In addition, failure on the part of the City to use such CUSIP
numbers in any notice to owners of the Bonds shall not constitute an event of default or any
violation of the City’s contract with such owners and shall not impair the effectiveness of any
such notice.

The Bonds shall be signed by the Mayor and countersigned by the Clerk of the Board
of Supervisors. The signature of the Mayor may be facsimile or manual. The signature of the
Clerk of the Board of Supervisors shall be manual. The City Treasurer (“City Treasurer”) shall
authenticate the Bonds by facsimile or manual signature and, when so authenticated, shall
deliver the Bonds to or for the account of the purchasers in exchange for the purchase price
thereof.

In case such officer(s) whose signature(s) or countersignature(s) appear(s) on a Bond
shall cease to be such officer(s) before the delivery of such Bond to the purchaser, such
signature(s) or countersignature(s) shall nevertheless be valid and sufficient for all purposes as if the officer(s) had remained in office until the delivery of such Bond.

Section 5. Transfer or Exchange and Registration of Bonds. Any Bond may be transferred or exchanged in accordance with its terms and the applicable Sale Resolution. Each Bond shall be registered in accordance with the applicable Sale Resolution.

Section 6. General Redemption Provisions. The terms of redemption (whether optional or mandatory redemption), if any, of any Bonds and the manner prescribed for notice of any redemption of Bonds shall be set forth in the applicable Sale Resolution.

Each Sale Resolution shall provide that the City Controller (“Controller”) shall establish a redemption account for such series or subseries of Bonds. The City Treasurer shall provide for the deposit and application of moneys in such redemption account.

Section 7. Tax Levy; Pledge of Bond Account.

(a) Tax Levy. For the purpose of paying the principal of and interest on the Bonds, the Board of Supervisors at the time of fixing the general tax levy shall fix, and in the manner provided for such general tax levy, levy and collect annually until the Bonds are paid, or until there shall be a sum set apart for that purpose in the treasury of the City sufficient to meet all sums coming due for payment of principal of and interest on the Bonds, a tax sufficient to pay the annual interest on the Bonds as the same becomes due and also such part of the principal thereof as shall become due before the proceeds of a tax levied at the time for making the next general tax levy can be made available for the payment of such interest or principal; provided, however, that in fixing such tax levy for each fiscal year, the Board of Supervisors shall take into account amounts then on deposit in the Tax Revenues Subaccount pursuant to this subsection (a), if such amounts will be available to pay debt service on the Bonds.

///

///
Such tax shall be in addition to all other taxes levied for City purposes, shall be
collected at the time and in the same manner as other taxes of the City are collected, and
shall be used only for the payment of the Bonds and the interest thereon.

All taxes collected pursuant to this Section 7(a) shall be deposited forthwith in a special
subaccount to be designated as the “Tax Revenues Subaccount,” which shall be a
subaccount within a special account to be designated as the “General Obligation Bonds
(Health and Recovery, 2020) Bond Account” (“Bond Account”). The Bond Account and all
subaccounts therein shall be administered by the City Treasurer with all disbursements of
funds therefrom subject to authorization of the Controller. The Bond Account shall be kept
separate and apart from all other accounts, and each subaccount therein shall be kept
separate and apart from all other subaccounts. Pursuant to the applicable Sale Resolution,
the Controller may establish such additional accounts and subaccounts within the Bond
Account or with any agent, including but not limited to any paying agent or fiscal agent, as
may be necessary or convenient in connection with the administration of any Bonds, to
provide for the payment of principal and interest on such Bonds.

The City Treasurer shall deposit in the Bond Account from the proceeds of sale of the
Bonds, any moneys received on account of original issue premium and interest accrued on
the Bonds to the date of payment of the purchase price thereof, and such other moneys, if
any, as may be specified in the applicable Sale Resolution. So long as any of the Bonds are
outstanding, moneys in the Bond Account shall be used and applied by the City Treasurer
solely for the purpose of paying the principal of and interest on the Bonds as such principal
and interest shall become due and payable, or for purchase of Bonds if permitted by the
applicable Sale Resolution; provided, however, that when all of the principal of and interest on
the Bonds have been paid, any moneys then remaining in such Bond Account shall be
transferred to the City for any legally permitted purpose. The Board of Supervisors shall take
such actions annually as are necessary or appropriate to cause the debt service on the Bonds due in any fiscal year to be included in the budget for such fiscal year and to make the necessary appropriations therefor.

(b) **Pledge.** The Bond Account and all subaccounts and amounts on deposit therein are hereby pledged for the payment of the principal of and interest on the Bonds when and as the same become due, including the principal of any term Bonds required to be paid upon the mandatory sinking fund redemption thereof. In addition, the payment of such principal and interest shall be secured by the statutory lien of California Government Code, Section 53515, to the extent applicable to the amounts on deposit in the Bond Account. Each and every Bond issued under this Resolution shall be equally and ratably secured by the pledge of this subsection (c), the foregoing statutory lien, and the taxes collected pursuant to this **Section 7.**

**Section 8. Administration and Disbursements From Bond Account.**

(a) **Interest.** On or before June 15 and December 15 in each year that any of the Bonds are outstanding (or, for any Bonds bearing interest at variable rates, on such other dates as may be provided by the applicable Sale Resolution), the City Treasurer shall set aside in the Bond Account and the appropriate subaccounts therein relating to each series or subseries of the Bonds an amount which, when added to the amount contained in the Bond Account and subaccounts therein on that date, if any, will be equal to the aggregate amount of the interest becoming due and payable on each the Bonds outstanding on such interest payment date.

(b) **Principal.** On or before June 15 in each year that any of the Bonds are outstanding, the City Treasurer shall set aside in the Bond Account and the appropriate subaccounts therein relating to each series or subseries of the Bonds an amount which will be equal to the principal on each series or subseries of the Bonds outstanding that will become
due and payable on such June 15, including those Bonds subject to mandatory redemption on such date pursuant to the provisions of the applicable Sale Resolution.

All moneys in the Bond Account shall be used and withdrawn by the City Treasurer solely for the purpose of paying the principal of and interest on the Bonds as the same shall become due and payable. On June 15 and December 15 in each year that any Bond is outstanding, the City Treasurer shall allocate, transfer and apply to the various subaccounts in the Bond Account created pursuant to the applicable Sale Resolution, on such date on which payment of principal or interest on any Bonds is due, from moneys on deposit in the Bond Account, an amount equal to the amount of principal of, premium, if any, or interest due on such date with respect to each of the Bonds then outstanding. Unless other provision shall have been made pursuant to this Resolution for the payment of any Bond, all amounts held in the various subaccounts of the Bond Account created pursuant to a Sale Resolution shall be used and applied by the City Treasurer to pay principal of, premium, if any, and interest due on the Bonds to which such subaccount relates, as and when due.

Section 9. Appointment of Depositories and Other Agents. The City Treasurer is hereby authorized and directed to appoint one or more depositories as he or she may deem desirable and may authorize such depository to perform, under the supervision of the City Treasurer, any of the City Treasurer's duties and responsibilities under this Resolution, to the extent permitted by applicable law.

The City Treasurer is hereby also authorized and directed to appoint one or more agents as he or she may deem necessary or desirable. To the extent permitted by applicable law and under the supervision of the City Treasurer, such agents may serve as paying agent, fiscal agent, escrow agent or registrar for the Bonds or may assist the City Treasurer in performing any or all of such functions and such other duties as the City Treasurer shall determine including such duties and responsibilities of the City Treasurer provided for in this
Resolution. Such agents shall serve under such terms and conditions as the City Treasurer shall determine. The City Treasurer may remove or replace agents appointed pursuant to this paragraph at any time.

Section 10. **Project Account.** There is hereby established a project account to be designated as the “General Obligation Bonds (Health and Recovery, 2020) Project Account” ("Project Account"). The Project Account shall be maintained by the City Treasurer, as a separate account, segregated and distinct from all other accounts. The City Treasurer may establish such accounts and subaccounts within the Project Account as may be necessary or convenient in connection with the administration of the Project or the Bonds.

All of the proceeds of the sale of the Bonds (excluding any premium and accrued interest received thereon, unless otherwise determined by the Director of Public Finance) shall be deposited by the City Treasurer to the credit of the Project Account and shall be applied exclusively to the objects and purposes of the Project. When such objects and purposes have been accomplished, any moneys remaining in such account shall be transferred to the Bond Account established pursuant to Section 7 hereof and applied to the payment of the principal of and interest on any series or subseries of Bonds to which such Bond Account relates. Amounts in the Project Account may be applied to the payment of costs of issuance of the Bonds, including, without limitation, bond and financial printing expenses, mailing and publication expenses, rating agency fees, and the fees and expenses of paying agents, registrars, financial consultants, bond counsel and disclosure counsel.

Section 11. **Defeasance Provisions.** A Sale Resolution may provide for the defeasance of such Bonds authorized therein. Any Bonds which have been deemed paid in accordance with the defeasance provisions of the applicable Sale Resolution shall no longer be deemed outstanding under this Resolution.

///
Section 12. **Tax Covenants.** The Bonds may be issued as bonds the interest on which is excluded from gross income for federal or state income tax purposes or as bonds the interest on which is included in gross income for federal or state income tax purposes. With respect to any Bonds the interest on which is excluded from gross income for federal or state income tax purposes, the City may make such covenants and representations as are necessary to comply with applicable laws and regulations.

Section 13. **Other Terms and Provisions Relating To the Bonds.** The Sale Resolution for any series or subseries of Bonds may provide for (a) the purchase of bond insurance or other credit enhancement relating to all or a portion of such Bonds and to the establishment of such additional terms and procedures as may be necessary to provide for the application of such bond insurance or other credit enhancement for the benefit of the bondholders; (b) the investment of moneys held in any fund or account relating to the Bonds in specific categories or types of investments, so long as such investments are legal investments for the City and in compliance with any policy or guideline of the City applicable thereto; and (c) the adoption of any supplemental resolutions relating solely to such series or subseries of Bonds.

Section 14. **Supplemental Resolutions.** For any one or more of the following purposes and at any time or from time to time, a supplemental resolution of the City may be adopted, which, without the requirement of consent of the owners of the Bonds, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the City in this Resolution or any Sale Resolution, other covenants and agreements to be observed by the City which are not contrary to or inconsistent with this Resolution or any Sale Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution or any Sale Resolution, other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Resolution or any Sale Resolution as theretofore in effect;
(c) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution or any Sale Resolution as then in effect, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution or any Sale Resolution;

(d) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution or any Sale Resolution; or

(e) To make such additions, deletions or modifications as shall not be materially adverse to the owners of the Bonds.

Any modification or amendment of this Resolution or any Sale Resolution and of the rights and obligations of the City and of the owners of the Bonds, in any particular, may be made by a supplemental resolution, with the written consent of the owners of at least a majority in aggregate principal amount of the Bonds outstanding at the time such consent is given (except as provided in the preceding paragraph). No such modification or amendment shall permit a change in the terms or maturity of the principal of any outstanding Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, or shall reduce the percentage of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall reduce the amount of moneys for the repayment of the Bonds, without the consent of all the owners of such affected Bonds.

Section 15. Reimbursement. The City declares its official intent to reimburse prior expenditures of the City incurred prior to the issuance and sale of the Bonds in connection with the Project or portions thereof to be financed by the Bonds. The Board of Supervisors declares the City’s intent to reimburse the City with the proceeds of the Bonds for the expenditures with respect to the Project (the “Expenditures” and each an “Expenditure”) made on and after that date that is no more than 60 days prior to adoption of this Resolution. The
City reasonably expects on the date of adoption of this Resolution that it will reimburse the Expenditures with the proceeds of the Bonds.

Each Expenditure was and will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Bonds, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the City so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the City. The maximum aggregate principal amount of the Bonds expected to be issued for the Project is $487,500,000. The City shall make a reimbursement allocation, which is a written allocation by the City that evidences the City’s use of proceeds of the Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The City recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain de minimis amounts, expenditures by “small issuers” (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

Section 16. Citizens’ Oversight Committee. The Bonds are subject to, and incorporate by reference, the applicable provisions of San Francisco Administrative Code, Section 5.30 – 5.36 (“Admin. Code”). Under Section 5.31 of the Admin. Code, to the extent permitted by law, one-tenth of one percent (0.1%) of the gross proceeds of each series or subseries of the Bonds shall be deposited in the fund established by the Controller's Office and appropriated by the Board of Supervisors at the direction of the Citizens' General Obligation Bond Oversight Committee to cover the costs of such Committee.

///
Section 17. **CEQA Determinations.** The Board of Supervisors hereby reaffirms and incorporates by reference the CEQA findings and determinations set forth in the Bond Ordinance as if set forth in full herein. The use of bond proceeds to finance any identified project or portion of any identified project with bond proceeds will be subject, as necessary, to approval of the Board of Supervisors upon completion of any planning and any further required environmental review under CEQA for the individual facilities and projects.

Section 18. **Conformity with City Policies.** The Board of Supervisors finds and declares that the proposed Bonds (a) were referred to the Planning Department in accordance with Section 4.105 of the Charter and Section 2A.53(f) of the Admin. Code, (b) are in conformity with the priority policies of Section 101.1(b) of the San Francisco Planning Code, and (c) are consistent with the City’s General Plan, and adopts the findings of the Planning Department, as set forth in the General Plan Referral Report dated May 15, 2020, a copy of which is on file with the Clerk of the Board in File No. 200478 and incorporates such findings by this reference.

Section 19. **Ratification.** All actions heretofore taken by officials, employees and agents of the City with respect to the sale and issuance of the Bonds consistent with any documents presented and this Resolution are hereby approved, confirmed and ratified.

Section 20. **General Authority.** The Clerk of the Board of Supervisors, the Finance Committee of the Board of Supervisors, the Mayor, the City Treasurer, the City Administrator, the City Attorney, the Director of Public Finance and the Controller are each hereby authorized and directed in the name and on behalf of the City to take any and all steps and to issue and deliver any and all certificates, requisitions, agreements, notices, consents, and other documents, including but not limited to, letters of representations to any depository or depositories, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Bonds and otherwise to give effect
to this Resolution. Any such actions are solely intended to further the purposes of this
Resolution, and are subject in all respects to the terms of this Resolution. No such actions
shall increase the risk to the City or require the City to spend any resources not otherwise
granted herein. Final versions of any such documents shall be provided to the Clerk of the
Board of Supervisors for inclusion in the official file within 30 days (or as soon thereafter as is
practicable) of execution by all parties.
