[Accept and Expend Grant - Retroactive - Centers for Disease Control and Prevention - San Francisco Department of Public Health Climate and Health Program Actions to Reduce the Disproportionate Impacts of Climate Change - $300,000]

Resolution retroactively authorizing the Department of Public Health to accept and expend a grant increase from the Centers for Disease Control and Prevention for participation in a program, entitled “San Francisco Department of Public Health Climate and Health Program actions to reduce the disproportionate impacts of climate change,” in the amount of $86,287 for a total amount of $300,000 for the period of September 1, 2021, through August 31, 2022.

WHEREAS, The Centers for Disease Control and Prevention (CDC) has agreed to fund the Department of Public Health (DPH) in the amount of $300,000 for participation in a program, entitled “San Francisco Department of Public Health Climate and Health Program actions to reduce the disproportionate impacts of climate change,” for the period of September 1, 2021, through August 31, 2022; and

WHEREAS, This funding opportunity is to enhance the resilience of San Francisco to the health impacts of climate change; and

WHEREAS, This funding will allow the climate and health program to pursue collaboration with stakeholders to create a Climate Impact Compendium that includes data on local climate projections, health impacts, social determinates of health, and adaptive capacity; manage the Citywide Heat and Air Quality Resilience Project (HAQR) to identify medium-to-long-term strategies to become resilient to extreme heat and wildfire smoke events; and create evaluation tools to understand effectiveness of current and future climate resilience strategies; and

WHEREAS, The grant does not require an Annual Salary Ordinance Amendment; and
WHEREAS, A grant increase of $86,287 from $213,713 was approved for the period of September 1, 2021, through August 31, 2022; and
WHEREAS, A request for retroactive approval is being sought because DPH received the award notice on August 11, 2021, for a project start date of September 1, 2021; and
WHEREAS, The grant budget includes a provision for indirect costs in the amount of $51,761; now, therefore, be it
RESOLVED, That DPH is hereby authorized to retroactively accept and expend a grant in the amount of $300,000 from the CDC; and, be it
FURTHER RESOLVED, That DPH is hereby authorized to retroactively accept and expend the grant funds pursuant to Administrative Code, Section 10.170-1.
