[Urging Extension of Utility Debt Relief]

Resolution urging Governor Gavin Newsom and the California Public Utilities Commission to extend utility debt relief to assist households up to 80% Area Median Income and customers enrolled in Community Choice Aggregation programs.

WHEREAS, On May 14, 2021, Governor Gavin Newsom announced in his May budget revise the state would provide up to $2 billion in relief for utility debt including $1 billion for electricity and gas arrears; and

WHEREAS, On May 18, 2021, the Board of Supervisors of the City and County of San Francisco unanimously passed a resolution urging Governor Gavin Newsom and the California Public Utilities Commission (CPUC) to extend the utility shut-off moratorium past June 30, 2021, and forgive utility debt beginning March 2020; and

WHEREAS, The City and County of San Francisco and its San Francisco Public Utilities Commission (SFPUC) have been leaders in providing support to utility customers, including suspending shutoffs prior to the state mandate, implementing residential and commercial emergency COVID discount programs, participating in national convenings, and leading legislative efforts to secure funding; and

WHEREAS, A majority (70%) of San Francisco’s electricity supply is provided by the SFPUC’s Hetch Hetchy Power and CleanPowerSF Programs; and

WHEREAS, CleanPowerSF, a not-for-profit program of the SFPUC that provides cleaner energy at competitive rates to San Francisco electricity customers, and has served residential and commercial customers since May 2016; and

WHEREAS, The SFPUC suspended the return of delinquent CleanPowerSF Customers to PG&E generation service for failure to pay CleanPowerSF charges and

Supervisors Chan; Walton, Preston, Mandelman
BOARD OF SUPERVISORS
implemented a one-time $2.8 million customer assistance bill credit for low-income customers;
and

WHEREAS, On April 27, 2021, the SFPUC extended its emergency customer assistance programs and rule changes described above, through March 2022; and

WHEREAS, As of March 29, 2021, CleanPowerSF’s residential customer bill delinquency more than 60 days overdue was $2,739,333, with highest percentage of delinquent customer accounts being in Districts 6 and 10, two districts with the highest poverty rates in San Francisco which have also been historically impacted by environmental harms including power generation and suffered from a lack of access to affordable and reliable energy; and

WHEREAS, Prior to shelter-in-place for COVID, 10% of active CleanPower SF customer accounts were enrolled in the California Alternate Rates for Energy (CARE) program, and as of October 1, 2020, 13.4% of all CleanPowerSF customers are enrolled in CARE or Family Electric Rate Assistance Program (FERA), a 34% increase in the number of program participants since March 2020; and

WHEREAS, California’s Low Income Home Energy Assistance Program (LIHEAP) utilizes the Federal Poverty Level to determine a household’s eligibility for program assistance; and now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco urges Governor Newsom and the CPUC to provide utility debt relief to households with up to 80% of Area Median Income (AMI) of San Francisco instead of the Federal Poverty Level; and, be it

FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco urges the office of Governor Newsom and the CPUC to provide utility debt relief to customers of CCA programs in addition to investor-owned utilities; and, be it
FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco urges the SFPUC to continue to explore debt relief for its customers in preparation that the Governor and CPUC’s actions may fall short of providing the appropriate amount of relief; and, be it

FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby directs the Clerk of the Board to transmit a copy of this Resolution to the office of Governor Newsom and the CPUC.
Resolution urging Governor Gavin Newsom and the California Public Utilities Commission to extend utility debt relief to assist households up to 80% Area Median Income and customers enrolled in Community Choice Aggregation programs.
