14 District.

15 **Section 5. FINDING OF BENEFIT.** The Board of Supervisors hereby finds that the  
16 property within the District will be benefited by the improvements and activities funded by the  
17 assessments proposed to be levied.

18 **Section 6. SYSTEM OF ASSESSMENTS.** (a) Annual assessments will be levied to  
19 pay for the activities to be provided within the District, commencing with FY2020-2021, and  
20 continuing for 15 years, ending with FY2034-2035. For purposes of levying and collecting  
21 assessments within the District, a fiscal year shall commence on each July 1st and end on the  
22 following June 30th.

23 (b) The amount of the proposed assessments to be levied and collected for  
24 FY2020-2021 shall be a maximum of \$819,403.41 (as shown in the Management District Plan  
25 and Engineer's Report dated February 2020). The amount of assessments to be levied and

1 collected in fiscal years two through 15 may be increased annually by the Castro Community  
2 Benefit District corporation Board of Directors by an amount not to exceed the change in the  
3 Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose  
4 Consolidated Metropolitan Statistical Area, or five percent (5%), whichever is less.

5 (c) The method and basis of levying and collecting the assessment shall be as set  
6 forth in the District Management Plan.

7 (1) The levy of the assessments shall commence with fiscal year 2020-2021. Each  
8 year the assessment shall be due and payable in two equal installments. The first installment  
9 shall be due on November 1 of each fiscal year during the life of the District, and shall become  
10 delinquent on December 10 of that fiscal year. The second installment shall be due on  
11 February 1 of each fiscal year during the life of the District, and shall become delinquent on  
12 April 10 of that fiscal year.

13 (2) Nonpayment of the assessment shall have the same lien priority and delinquent  
14 payment penalties and be subject to the same enforcement procedures and remedies as the  
15 ad valorem property tax. All delinquent payment of assessments shall be subject to interest  
16 and penalties. The City Treasurer and Tax Collector will enforce imposition of interest and  
17 penalties and collection of delinquent assessments pursuant to the Business Assessment Law  
18 and City Business and Tax Regulations Code Article 6, as each may be amended from time to  
19 time.

20 **Section 7. USE OF REVENUES.** The proposed property-related services,  
21 improvements and activities for the District include:

22 **Clean Services:** Cleaning services, including sidewalk sweeping and power washing,  
23 will be provided along the frontages of property within the District. Zone 1 will receive a minimum  
24 of sweeping of sidewalks twice a day and power washing sidewalks twice a month, graffiti  
25 removal, and access to the cleaning dispatch number. Zone 2 will receive a minimum of

1 sweeping the sidewalks once a day and power washing once a month, graffiti removal, and  
2 access to the cleaning dispatch number. Zone 3 will receive a minimum of sweeping once per  
3 day and power washing once every two months, graffiti removal, and access to the cleaning  
4 dispatch number. Other cleaning services that may be provided include, but are not limited to  
5 enhanced trash emptying in the public right-of-way and special events cleaning and  
6 maintenance services.

7 **Landscaping:** Landscaping includes, but is not limited to, maintenance of landscaping  
8 within public plazas which will be done as needed and as approved by the Board of Directors.  
9 New plantings and sidewalk planters may also be considered.

10 **Marketing:** Marketing provides marketing and communications services to improve  
11 the District's image and visibility, community with District stakeholders, and promote activities  
12 taking place within the District. Activities may include, but are not limited to, the following: data  
13 collection, District Stakeholder and Neighborhood Outreach, Website and Social Media,  
14 Service Presentations, Non-Assessment Revenue Fundraising, Branding, Media Relations,  
15 and Destination Marketing.

16 **Administration and Contingency:** Administration includes daily oversight and  
17 operation of the Castro CBD, adherence to the Management District Plan, and compliance  
18 with audit/reporting requirements. Administration also includes fundraising, building and  
19 managing relationships with the neighborhood association/groups, city agencies/departments  
20 and elected officials. The Castro CBD, representing the owners, and working closely with the  
21 merchants, routinely advocates for the interests of the community regarding city services and  
22 funding. Because of these relationships and advocacy work, the Castro/Upper Market has  
23 often been chosen to host city funded pilot projects, which benefit the neighborhood. This type  
24 of work will continue in the new, renewed Castro CBD. The assessments will also fund a  
25

1 contingency reserve that may be used to cover possible unforeseen future expenses and help  
2 to smooth out cash flows, which are affected by the timing of property owner payments.

3           **Section 8. AUTHORITY TO CONTRACT.** The Board of Supervisors may contract  
4 with a separate private entity to administer the improvements, services and activities set forth  
5 in Section 7, as provided in California Streets and Highways Code, Sections 36612  
6 and 36650. Any such entity shall hold the funds it receives from the City and County of San  
7 Francisco ("City") in trust for the improvements, services and activities set forth in Section 7.  
8 Any such entity that holds funds in trust for purposes related to the contract shall deliver, at no  
9 expense to the City, a balance sheet and the related statement of income and cash flows for  
10 each fiscal year, all in reasonable detail acceptable to City, reviewed by a Certified Public  
11 Accountant (CPA); this review shall include a statement of negative assurance from the CPA.  
12 In addition, or alternatively, the Controller in his or her discretion or the Office of Economic  
13 and Workforce Development in its discretion, may require the private entity to deliver, at no  
14 expense to the City, an annual independent audit report by a Certified Public Accountant of all  
15 such funds. The CPA review and/or audit may be funded from assessment proceeds as part  
16 of the general administration of the District. At all times the Board of Supervisors shall  
17 reserve full rights of accounting of these funds. The Office of Economic and Workforce  
18 Development shall be the City agency responsible for coordination between the City and the  
19 District.

20           **Section 9. AMENDMENTS.** The properties in the District established by this  
21 Resolution shall be subject to any amendments to the 1994 Act, and City Business and Tax  
22 Regulations Code Article 6 and Article 15.

23           **Section 10. RECORDATION OF NOTICE AND DIAGRAM.** The County Clerk is  
24 hereby authorized and directed to record a notice and an assessment diagram pursuant to  
25

1 Section 36627 of the California Streets and Highways Code, following adoption of this  
2 Resolution.

3 **Section 11. LEVY OF ASSESSMENT.** The adoption of this Resolution and  
4 recordation of the notice and assessment diagram pursuant to Section 36627 of the California  
5 Streets and Highways Code constitutes the levy of an assessment in each of the fiscal years  
6 referred to in the District Management Plan. Each year, the Assessor shall enter on the  
7 County Assessment Roll opposite each lot or parcel of land the amount of the assessment  
8 and such assessment shall be collected in the same manner as the County property taxes are  
9 collected.

10 **Section 12. BASELINE SERVICES.** To ensure that assessment revenues from the  
11 District are used to enhance the current level of services provided by the City within the  
12 District, the establishment of the District will not affect the City's policy to continue to provide  
13 the same level of service to the areas encompassed by the District as it provides to other  
14 similar areas of the City for the duration of the District, provided, however, that in the event of  
15 a significant downturn in citywide revenues, the Board of Supervisors may reduce the level of  
16 municipal services citywide, including within the District.

17 **Section 13. ENVIRONMENTAL FINDINGS.** The Planning Department has  
18 determined that the actions contemplated in this Resolution are in compliance with the  
19 California Environmental Quality Act (California Public Resources Code sections 21000 *et*  
20 *seq.*). Said determination is on file with the Clerk of the Board of Supervisors in File  
21 No. 200524, which is hereby declared to be a part of this Resolution as if set forth fully herein.
