WHEREAS, The Board of Supervisors of the City and County of San Francisco ("Board of Supervisors"), after careful study and consideration, has determined that there is a shortage of safe and sanitary housing within the City and County of San Francisco ("City"), particularly for low and moderate income persons, and that it is in the best interest of the residents of the City and in furtherance of the health, safety, and welfare of the public for the City to assist in the financing of multi-family rental housing units; and
WHEREAS, Acting under and pursuant to the powers reserved to the City under Sections 3, 5, and 7 of Article XI of the Constitution of the State of California and Sections 1.101 and 9.107 of the Charter of the City and County of San Francisco, the City has enacted the City and County of San Francisco Residential Mortgage Revenue Bond Law ("City Law"), constituting Article I of Chapter 43 of the San Francisco Administrative Code, in order to establish a procedure for the authorization, issuance and sale of residential mortgage revenue bonds by the City for the purpose of providing funds to encourage the availability of adequate housing and home finance for persons and families of low or moderate income, and to develop viable communities by providing decent housing, enhanced living environments, and increased economic opportunities for persons and families of low or moderate income; and

WHEREAS, In addition, pursuant to Division 31 of the Health and Safety Code of the State of California, and particularly Chapter 7 of Part 5 thereof ("State Law"), the City is empowered to issue and sell bonds for the purpose of making mortgage loans or otherwise providing funds to finance the development and/or rehabilitation of multi-family rental housing including units for lower income households and very low income households; and

WHEREAS, HPSY 52-54, LP, a California limited partnership (or an affiliate thereof or successor thereto) (the "Borrower") desires to construct an 112-unit affordable residential rental housing development located at 151 and 351 Friedell Street (San Francisco, California 94124) ("Project"); and

WHEREAS, The Borrower has requested that the City assist in the financing of the Project through the issuance of one or more series of tax-exempt mortgage revenue bonds ("Bonds"); and

WHEREAS, The City expects that proceeds of the Bonds will be used to pay certain costs incurred in connection with the Project prior to the date of issuance of the Bonds; and

WHEREAS, The City intends to issue the Bonds in an amount not to exceed
$63,000,000 and to loan the proceeds of the Bonds to the Borrower (“Loan”) to finance the
costs of the Project; and

WHEREAS, The Bonds will be limited obligations, payable solely from pledged
security, including Project revenues, and will not constitute a debt of the City; and

WHEREAS, The Board of Supervisors has determined that the moneys advanced and
to be advanced to pay certain expenditures of the Project are or will be available only for a
temporary period and it is necessary to reimburse such expenditures with respect to the
Project from the proceeds of the Bonds; and

WHEREAS, Section 1.150-2 of the United States Treasury Regulations requires that
the Board of Supervisors declare its reasonable official intent to reimburse prior expenditures
for the Project with proceeds of the Bonds; and

WHEREAS, The Project is located wholly within the City; and

WHEREAS, Section 146 of the Code limits the amount of tax-exempt private activity
bonds, which include qualified mortgage bonds, that may be issued in any calendar year by
entities within a state and authorizes the legislature of each state to provide the method of
allocating authority to issue tax-exempt private activity bonds within the respective state; and

WHEREAS, Chapter 11.8 of Division 1 of Title 2 of the Government Code of the State
of California governs the allocation in the State of California of the state ceiling established by
Section 146 of the Code among governmental units in the State having the authority to issue
tax-exempt private activity bonds; and

WHEREAS, Section 8869.85(b) of the Government Code requires that a local agency
file an application for a portion of the state ceiling with or upon the direction of the California
Debt Allocation Committee (“CDLAC”) prior to the issuance of tax-exempt private activity
bonds, including qualified mortgage bonds; and

///
WHEREAS, CDLAC procedures require an applicant for a portion of the state ceiling to certify to CDLAC that applicant has on deposit an amount equal to one-half of one percent (0.5%) of the amount of allocation requested not to exceed $100,000; now, therefore, be it RESOLVED, By the Board of Supervisors of the City and County of San Francisco, as follows:
