WHEREAS, San Francisco Day School ("Borrower"), a California nonprofit public benefit corporation and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended ("Code"), has requested that the Authority issue revenue obligations qualifying as "qualified 501(c)(3) bonds" in an aggregate principal amount not to exceed $20,000,000 ("Obligations") to finance the construction, renovation, rehabilitation, improvement and/or equipping of (a) the Borrower’s educational facilities located at 350 Masonic Avenue, in San Francisco, California 94118, including the addition of 16,500 square feet of instructional space located at 2130 Golden Gate Avenue, in San Francisco, California 94118, and (b) faculty housing located at 2120-2122 Golden Gate Avenue, in San Francisco, California 94118 (collectively, “Project”), all of which is and will be owned and operated by,

WHEREAS, The Project is located within the boundaries of the City and County of San Francisco ("City"), which is a member of the Authority; and

WHEREAS, Pursuant to Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder, the issuance of the Obligations by the Authority may qualify for tax exemption under Section 103 of the Code only if the Obligations are approved by an "applicable elected representative" of both the governmental unit issuing the Obligations or on behalf of which the Obligations are to be issued, and a governmental unit having jurisdiction over the geographic area in which the Project is located, after a public hearing held following reasonable public notice; and

WHEREAS, The issuance and delivery of the Obligations shall be subject to the approval of and execution by the Authority; and

WHEREAS, The Authority has requested the Board of Supervisors of the City and County of San Francisco ("Board") approve the issuance and sale of the Obligations in order to satisfy the requirements of Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder, the Board being an applicable elected representative having jurisdiction over the geographic area in which the Project is located within the meaning of Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder; and

WHEREAS, On July 2, 2020, the City caused a notice to appear on its website, stating that a telephonic public hearing with respect to the issuance of the Obligations would be held by the Office of Public Finance on July 9, 2020; and

WHEREAS, The Office of Public Finance of the City has held the public hearing described above on July 9, 2020, and an opportunity was provided for persons to comment on the issuance and sale of the Obligations and the plan of financing of the Project; and
WHEREAS, The Obligations will be limited obligations of the Authority, payable solely from and secured solely by amounts received from or on behalf of the Borrower, and will not constitute an indebtedness or obligation, or a pledge of the faith and credit of, or the taxing power, if any, of the City or the Authority, except to the limited extent described herein; and

WHEREAS, It is intended that this Resolution shall constitute approval of the issuance of the Obligations for purposes of Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder; now, therefore, be it

RESOLVED, That this Board finds that all of the recitals set forth above are true and correct; and, be it

FURTHER RESOLVED, That the Board, as an applicable elected representative of the governmental unit on behalf of which the Obligations will be issued and having jurisdiction over the geographic area in which the Project is or will be located, hereby approves the issuance of the Obligations by the Authority; it is the purpose and intent of the Board that this Resolution constitute both “issuer” approval and “host” approval of the issuance of the Obligations by the City for purposes of Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder; and, be it

FURTHER RESOLVED, That the approval by the Board of the issuance and sale of the Obligations is neither an approval of the underlying credit issues of the Project nor an approval of the financial structure of the Obligations, and that the adoption of this Resolution shall not obligate (i) the City to provide financing to the Borrower for the acquisition, construction, renovation, rehabilitation, improvement and/or equipping of the Project, or to issue the Obligations for purposes of such financing or (ii) the City, or any department of the City, to approve any application or request for, or take any other action in connection with any environmental, General Plan, zoning or any other permit or other action necessary for the
