WHEREAS, In addition, pursuant to Division 31 of the Health and Safety Code of the State of California, and particularly Chapter 7 of Part 5 thereof (the "State Law"), the City is empowered to issue and sell bonds for the purpose of making mortgage loans or otherwise providing funds to finance the development of multi-family rental housing including units for lower income households and very low income households; and

WHEREAS, The Developer has requested that the City assist in the financing of the Project through the issuance of one or more series of tax-exempt mortgage revenue bonds (the "Bonds"); and

WHEREAS, The City expects that proceeds of the Bonds will be used to pay certain costs incurred in connection with the Project prior to the date of issuance of the Bonds; and

WHEREAS, The City intends to issue the Bonds in an amount not to exceed $100,000,000 and to loan the proceeds of the Bonds to the Developer (the "Loan") to finance the costs of the Project; and

WHEREAS, The Bonds will be limited obligations, payable solely from pledged security, including Project revenues, and will not constitute a debt of the City; and

WHEREAS, The Board of Supervisors has determined that the moneys advanced and to be advanced to pay certain expenditures of the Project are or will be available only for a temporary period and it is necessary to reimburse such expenditures with respect to the Project from the proceeds of the Bonds; and

WHEREAS, Section 1.150-2 of the United States Treasury Regulations requires that the Board of Supervisors declare its reasonable official intent to reimburse prior expenditures for the Project with proceeds of the Bonds; and

WHEREAS, The Project is located wholly within the City; and

WHEREAS, Section 146 of the Internal Revenue Code of 1986, as amended (the "Code") limits the amount of tax-exempt private activity bonds, which include qualified mortgage bonds, that may be issued in any calendar year by entities within a state and authorizes the legislature of each state to provide the method of allocating authority to issue tax-exempt private activity bonds within the respective state; and

WHEREAS, Chapter 11.8 of Division 1 of Title 2 of the Government Code of the State of California governs the allocation in the State of California of the state ceiling established by
Section 146 of the Code among governmental units in the State having the authority to issue
tax-exempt private activity bonds; and

WHEREAS, Section 8869.85(b) of the Government Code requires that a local agency
file an application for a portion of the state ceiling with or upon the direction of the California
Debt Allocation Committee ("CDLAC") prior to the issuance of tax-exempt private activity
bonds, including qualified mortgage bonds; and

WHEREAS, CDLAC procedures require an applicant for a portion of the state ceiling to
certify to CDLAC that applicant has on deposit an amount equal to one-half of one percent
(1/2%) of the amount of allocation requested not to exceed $100,000.00; now, therefore, be it
