Authority in an aggregate principal amount not to exceed $9,000,000 to finance and
refinance the acquisition, construction, renovation, rehabilitation, improvement and/or
equipping of educational and related facilities to be owned and operated by Presidio
Hill School, a California nonprofit public benefit corporation, or its wholly-owned
limited liability company.

WHEREAS, The California Enterprise Development Authority ("Authority") is authorized
pursuant to the provisions of California Government Code, Section 6500 et seq., and the
terms of a Joint Powers Agreement, dated as of June 1, 2006 ("Agreement"), among certain
public agencies throughout the State of California, to issue revenue bonds and other forms of
indebtedness to assist nonprofit corporations to obtain tax-exempt financing for appropriate
projects and purposes; and

WHEREAS, Presidio Hill School ("Borrower"), a California nonprofit public benefit

qualifying as "qualified 501(c)(3) bonds" in an aggregate principal amount not to exceed
$9,000,000 ("Obligations") (i) to refinance a 2014 tax-exempt loan which refinanced (A) the
costs of the Borrower’s construction, renovation, expansion and equipping of the Borrower’s
educational facilities located at 3839 Washington Street, San Francisco, California 94118, and
(B) the costs of the Borrower’s acquisition of a certain parcel of real property, and the
improvements thereon, located at 233 Maple Street, San Francisco, California 94118, which
property was purchased by Arguello Partners, LLC, a limited liability company (the “LLC”), of which Borrower is the sole member, (ii) to finance the costs of the Borrower’s construction, renovation, expansion and equipping of the Borrower’s educational facilities located at 3839 Washington Street, San Francisco, California 94118 (all such projects and acquisition being collectively referred to herein as the “Project”), all of which is and will be owned and operated by, and used in an integrated operation of, the Borrower (or a wholly-owned limited liability company of the Borrower), and (iii) to pay various transaction costs and related costs; and

WHEREAS, The Project is located within the boundaries of the City and County of San Francisco (“City”), which is a member of the Authority; and

WHEREAS, Pursuant to Section 147(f) of the Code and the Treasury Regulations promulgated thereunder, the issuance of the Obligations by the Authority may qualify for tax exemption under Section 103 of the Code only if the Obligations are approved by an “applicable elected representative” of both the governmental unit issuing the Obligations or on behalf of which the Obligations are to be issued, and a governmental unit having jurisdiction over the geographic area in which the Project is located, after a public hearing held following reasonable public notice; and

WHEREAS, The issuance and delivery of the Obligations shall be subject to the approval of and execution by the Authority; and

WHEREAS, The Authority has requested that the Board of Supervisors of the City and County of San Francisco (“Board”) approve the issuance and sale of the Obligations in order to satisfy the requirements of Section 147(f) of the Code and the Treasury Regulations promulgated thereunder, the Board being an applicable elected representative of the governmental unit on behalf of which the Obligations are to be issued and having jurisdiction over the geographic area in which the Project is located within the meaning of Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder; and
WHEREAS, On August 6, 2021, the City caused a notice to appear on its website, stating that a telephonic public hearing with respect to the issuance of the Obligations would be held by the Office of Public Finance on August 19, 2021; and

WHEREAS, The Office of Public Finance of the City has held the public hearing described above on August 19, 2021, and an opportunity was provided for persons to comment on the issuance and sale of the Obligations and the plan of financing of the Project; and

WHEREAS, The Obligations will be limited obligations of the Authority, payable solely from and secured solely by amounts received from or on behalf of the Borrower, and will not constitute an indebtedness or obligation, or a pledge of the faith and credit of, or the taxing power, if any, of the City or the Authority, except to the limited extent described herein; and

WHEREAS, It is intended that this Resolution shall constitute approval of the issuance of the Obligations for purposes of Section 147(f) of the Code and the Treasury Regulations promulgated thereunder; now, therefore, be it

RESOLVED, That this Board finds that all of the recitals set forth above are true and correct; and, be it

FURTHER RESOLVED, That the Board, as an applicable elected representative of the governmental unit on behalf of which the Obligations will be issued and having jurisdiction over the geographic area in which the Project is or will be located, hereby approves the issuance of the Obligations by the Authority. It is the purpose and intent of the Board that this Resolution constitute both “issuer” approval and “host” approval of the issuance of the Obligations by the City for purposes of Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder; and, be it

FURTHER RESOLVED, That the approval by the Board of the issuance and sale of the Obligations is neither an approval of the underlying credit issues of the Project nor an
approval of the financial structure of the Obligations, and that the adoption of this Resolution
shall not obligate (i) the City to provide financing to the Borrower for the acquisition,
construction, renovation, rehabilitation, improvement and/or equipping of the Project, or to
issue the Obligations for purposes of such financing or (ii) the City, or any department of the
City, to approve any application or request for, or take any other action in connection with any
environmental, General Plan, zoning or any other permit or other action necessary for the
construction, renovation, rehabilitation, improvement and/or equipping of the Project; and, be
it

FURTHER RESOLVED, That this Resolution shall take effect from and after its
